ROSES

We expect to have a fair supply of Roses for spring 1945 delivery. However, in order to avoid possible disappointments by our inability to deliver, we prefer to wait until the roses are actually in our storage houses before we book orders. This will be about the first of the year, and we will welcome the opportunity to discuss your needs with you anytime thereafter.

FRUIT TREES

Because of the acute shortage of labor, we probably will not be able to fill orders for fruit trees until late fall or early winter. Glad to say that we still have a fairly good supply of fruit trees and we hope you will send us your list of requirements for our quotations. Don't forget to include the ornamental stock that you need.
